Subject: Tapcon Plus Fasteners

To Whom It May Concern,

As of the date of this letter, the Tapcon + products listed below meet the requirements of the Buy America and Build America, Buy America (BABA) Act of the Infrastructure Investment and Jobs Act (IIJA) as “iron or steel products” and are eligible for projects that require BABA-compliant products. All the iron and steel in each of the fasteners is melted in the USA, and all manufacturing processes with respect to the iron and steel, from the initial melting stage through the application of coatings, occurred in the USA. Manufacturing of the products below occurs in the state of Michigan.
